

# MAGELAN Siren

Data sheet

## **Brief description:**

The siren serves as an additional signal in the event of water damage. For intrusion protection, the siren serves as a deterrent to burglars in combination with the blossom-ic thermostats. In the event of an alarm, a red flashing warning signal also appears. In conjunction with Gateway GT-100.

# Magelan Siren

Item number: MSI-3968

## Properties

- For use with burglary protection in combination with the blossom-ic thermostats and / or the additional Magelan sensor.
- Also for use as an alarm siren in the event of water damage.
- As soon as the Magelan alarm siren is activated, every registered smartphone immediately receives a push notification.
- The siren is permanently installed with 230V.
- Repeater for the blossom-ic system.
- In connection with the gateway GT-100.

# Scope of application

## Magelan Siren

The Magelan siren can be used in combination with the leakage system and / or the sensors on the thermostats as an in-house alarm system. In conjunction with Gateway GT-100.
